Dear [REDACTED]:

In accordance with your letter of August 12, 1964, this Agency has negotiated with [REDACTED] for the design and construction of a building on a portion of CIA Langley site to house the CIA printing facilities.

We are enclosing a "Memorandum of Understanding and Agreement for Design and Construction Services" and request that it be signed and returned. After signature by both Agencies, a fully executed copy will be returned to you for your records.

It is also requested that your Agency initiate Standard Form 1151 transferring the amount of \$89,000.00 to General Services Administration to provide for the design phase of the project. The document transferring funds should contain a notation that funds are apportioned and available for immediate obligation. In addition, it is requested that the Statutory References line in the Memorandum of Understanding be completed by your office.

Sincerely yours,
